**DETAILED ACTION**

***Response to Amendment***

1. The amendment filed April 19, 2006 has been entered and claims 10, 15-29 and 33-35 have been cancelled.

***Allowable Subject Matter***

2. Claims 2-9, 11-14 and 30-32 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter:  
The prior art fails to disclose a semiconductor package comprising, inter alia, a multilayer heat transfer element including a core spacer plate interposing a first and a second layer of thermally conductive reflowable materials comprising a solder material, wherein the first layer is configured to attach the core to a heat spreader and the second layer is configured to attach the core to a top surface of a die. The above limitations in combination with other claim limitations are not taught or fairly suggested by the prior art nor would it be obvious to modify the references of record so as to yield the device of the instant application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to A. Sefer whose telephone number is (571) 272-1921.
